## CHURCH

<b>Photo Release Form</b>
---------------------------

Pictures are going to be taken during children's programming the next couple of weeks to add to our Bridgewood website. We need release forms filled out for each family to be able to put your child's picture on the website. Forms will be available in each room where you drop your children off. Please fill one out for your family if you have not done so already and return the completed form to Megan Glashagel or Melissa Bowen. Thank you.
